

Job Description

Title/Position:	Registered Nurse (RN)
Department:	Care Center
Reports To:	Director of Nursing (DON)
Days/Hours:	Days – Full Time (72 hours/pp); every 3 rd weekend/every other holiday
FLSA Status:	Hourly; Non-Exempt
Wage Scale:	\$34.59 - \$51.00
Reviewed:	January 2026

JOB SUMMARY:

The Registered Nurse (RN) provides safe, competent, and compassionate nursing care to residents in a skilled nursing facility in accordance with Minnesota nursing practice standards and facility policies. The RN delegates aspects of care to other nursing personnel based upon their qualifications. This position requires a high level of customer service skills to establish and enhance positive relationships with residents, co-workers, and others. RNs are responsible for supervising the Licensed Practical Nurses (LPN), Certified Nursing Assistants (CNA), and Trained Medication Aides (TMA).

STANDARD REQUIREMENTS:

- Supports the mission, vision, and values that make us SHINE at Appleton Area Health.
- Adhere to AAH Code of Conduct
- Adhere to facility policies
- Supports, cooperates with, and implements specific procedures and programs for:
 - Safety, including universal precautions and safe work practices, established fire/safety/disaster plans, risk management, and security, report and/or correct unsafe working conditions, equipment repair, and maintenance needs.
 - Confidentiality of all data, including resident, employee, and operations data.
 - Quality assurance and compliance with all regulatory requirements.
 - Compliance with current law and policy to provide a work environment free from sexual harassment and all illegal and discriminatory behavior.
- Supports and participates in common teamwork:
 - Cooperates and works together with all co-workers; plans and completes job duties with minimal supervisory direction including appropriate judgment.
 - Uses tactful, appropriate communication in sensitive and emotional situations.
 - Follows up as appropriate with supervisor, co-workers, or residents regarding reported complaints, problems, and concerns.
 - Promotes positive public relations with residents, family members, and guests.
 - Completes requirements for in-service training, acceptable attendance, uniform dress codes including personal hygiene, and other work duties as assigned.

REQUIRED KNOWLEDGE, SKILLS AND ABILITIES: (The following statement represents the minimum experience and training standards that will be used to admit or reject applicants for interview and selection, provided that equivalent substitution will be permitted in case of deficiencies in either experience or education).

- Graduate of an accredited school of nursing
- Current Minnesota RN License in good standing with the MN Board of Nursing; will fulfill licensure renewal requirements including continuing education
- CPR/BLS certification required
- Knowledge of basic nursing principles and geriatric care
- Excellent clinical assessment and critical thinking skills

- Ability to lead, coordinate, and mentor nursing staff
- Ability to prioritize and manage time in a fast-paced environment
- Familiarity with electronic health record (EHR) systems
- Experience in long-term care or SNF (preferred)
- Knowledge of Medicare, Federal and State Long Term Care (LTC) regulations (preferred)
- Ability to function as a team leader, accept individual responsibility and accountability for decisions/outcomes
- Ability to communicate effectively with residents, families, personnel, and physicians
- Maintains professional competency through continuing education and independent study
- Ability to understand and follow complex oral and written instructions

ESSENTIAL FUNCTIONS:

- Observes, monitors, and reports changes in residents' conditions to immediate supervisor, physician, family, or designated person in an appropriate and professional manner
- Conduct comprehensive assessments of residents' health status and care needs
- Supervise and coordinate the work of LPNs, CNAs, and TMAs
- Provide leadership and guidance to nursing staff during shifts
- Performs medical treatments, procedures, and medication administration with accurate documentation and according to care plan and department policies and procedures
- Reports resident injuries/accidents promptly to DON (or designee), Licensed Nursing Home Administrator (LNHA), provider, responsible party and follows risk management protocols
- Assists residents with personal care needs
- Follows written/verbal orders from residents' health care practitioners and documents accurately and promptly
- Takes and records temperature, blood pressure, pulse, respiration rates, oxygen levels, weight, food and fluid intake/output as directed. Provides nursing care as outlined in resident care plan
- Performs proper body mechanics when transporting or assisting residents or helping nursing staff to reposition residents
- Keeps work area free of hazardous obstacles and maintains a clean safe environment for residents
- Reports and documents appropriately all hazardous conditions, equipment or utility malfunctions/failures, and user errors affecting safety of self or others
- Hands-off communication and shift report; support the continuity of care and is clear and concise in nature
- Properly uses equipment such as lift devices, weight scales, transfer belt and other equipment as needed for care of residents
- Follows facility infection control policies and procedures
- Reports self-injuries/accidents promptly to supervisor
- Completes paperwork as required in a legible and timely manner
- Attend scheduled meetings and continue education programs as an active participant of the nursing care team
- Participates in quality initiatives and risk management by providing input and ensuring improvement in quality of care and safety for residents and staff; and strives for ways to improve overall activities and functions of the care center and the facility
- Protect and promote residents' rights and choices
- Participate in meetings, in-services, and discussions to promote efficient and effective delivery of services and quality of care
- Reads posted communications to stay up to date with resident changes in conditions and facility updates
